Thank you David.

ORS does not object to the request to present by affidavit the shipper witness testimony. Of course, we would reserve the right to object in any future matters if needed.

Thank you, Lessie

**Subject:** Docket No. 2018-268-T - Midlands Movers - Shipper Witness Affidavit

Lessie:

We are in possession of a Motion from counsel for Midlands Movers, LLC that, if granted, would allow evidence from a shipper witness to be presented in a mover's certification proceeding to be presented by affidavit instead of by deposition, or live at the hearing. Does the Office of Regulatory Staff have a position on this Motion?

Thanks,

David Butler
